Prayer of Dedication
Learning and Teaching Centre
Moore Theological College

Our heavenly Father, we praise you for being the fount of all wisdom and the source of all knowledge. In your light we see light, in your strength we grow strong, and in your wisdom we grow wise.

We pray that this newly constructed Learning and Teaching Centre will be richly used by students and faculty in their intellectual pursuit of such knowledge and wisdom that they may grow in their understanding of the Word of God and the gospel of Christ.

We pray for the College staff whose labours here assist the expansion of God’s kingdom, in preparing men and women to proclaim the gospel of our Lord and Saviour, Jesus Christ.

We also thank you for the benefaction of your people, individuals and families, foundations and organisations, who have contributed financially to this project, both for their generosity and prayerful commitment to the growth and development of Moore College.

I now dedicate this building as a centre of learning and teaching, a haven for thinking and reflection, and a facility of theological education and spiritual growth. May all who teach and all who learn grow in their knowledge of God, develop their skills in sharing that knowledge, and mature in wisdom as they fear God and keep his commandments, for the glory and praise of God: Father, Son and Holy Spirit. Amen.
